

Steve Trash
Illusionist • Eco-Entertainer • Kid Comedian

Stan Slaughter, Eco-Troubadour, is the Heartland's best-known and most honored environmental educator.

Attention Teachers!

The Kansas Department of Health & Environment's *Kansas Don't Spoil It!* Program is featuring 'Eco-Entertainers' **Steve Trash and **Stan Slaughter** for grade school assemblies during spring 2004. They deliver the message of the '3-R's' – Reduce, Reuse, and Recycle. They appear free of charge, are extremely well received by students and teachers alike, and book up fast! All we ask is that you conduct some type of '3-R' activity at your school to earn a free appearance from one of these highly acclaimed professional educational entertainers!**

To find out more, contact: Rodney Ferguson at 800-282-9790 or e-mail at rferguson@kdhe.state.ks.us

(These assemblies are geared for K-6)

The Eco Troubadour

Stan Slaughter

An award winning teacher and seasoned performer, Stan has traveled throughout the country since 1987 performing a repertoire of original and old favorite Earth Songs at schools, museums, libraries and festivals. He is a proven crowd pleaser with both children and adults.

Stan excels at providing the big picture and the context needed to understand complex environmental problems. With a Bachelor's degree in Education and a Master's in Biology, Stan taught physics, biology and chemistry for eleven years. His music, reflecting the Blues of Kansas City and the country influences of his youth, is a wonderful vehicle for memorable learning.

The Steve Trash® "Trash & Recycle Show".

(Solo performance for Elementary School students, Jr. High School students...)

This no ordinary school MAGIC show. It is an excellent blend of entertainment and education.... Tailored to the age of your students...(High School, Jr., or Elementary)

Steve Trash® has traveled all over the planet (Japan, Australia, Canada, Greenland) performing magic tricks with garbage and teaching kids about ecology. What better way is there to learn about environmental principles than while you're having fun?

ECO-LEARNING FROM THE SHOW...

- Kids will know why recycling is a good idea.
- Kids will learn how to reduce, reuse, & recycle.
- Kids will learn how much trash & waste we generate.
- Kids will have fun and be amazed.

Kansas Don't Spoil It! is an awareness and educational program that encourages Kansans to keep our State clean and beautiful, and environmentally strong. The program's goal is to minimize the amount of waste and pollution in the environment by committing to the 3 R's: Reduce, Reuse, and Recycle.
